

Financial Tear Sheet

Corporate Profile

Kingsoft is a leading Chinese software and Internet services company listed on the stock exchange of Hong Kong. It has four subsidiaries including Season, Cheetah Mobile, Kingsoft Cloud and WPS. Following the implementation of its “mobile internet transformation” strategy, Kingsoft has completed the comprehensive transformation of its overall business and management models and formed a strategic platform with interactive entertainment, Internet security and office software as the pillars and cloud computing as the new growth driver and source. The Company has approximately 7,000 staff around the world. It has set up R&D centers and offices in Beijing, Zhuhai, Chengdu, Dalian, Guangzhou and Hong Kong and enjoys a large market share overseas in North America, Europe, Japan and Malaysia.
