

Immediate Announcement

China's SERC Purchases Kingsoft Applications Software

(September 24, 2009 - Hong Kong) **Kingsoft Corporation Limited** ("Kingsoft" or the "Company"; SEHK stock code: 03888), China's leading entertainment and applications software developer, distributor and service provider, based on market share, today announced that its Kingsoft WPS Office is purchased by the State Electricity Regulatory Commission ("SERC") of China.

Ke GE, Senior Vice President of Kingsoft, said all computer facilities of SERC and its 33 subordinate units, including provincial bureaus and IT centres, will fully adopt Kingsoft WPS Office. The purchase does not carry any authorization restriction, which means no limitation on usage duration and number of users. Kingsoft has also tailor-made Kingsoft WPS Office - SERC Edition for SERC .

Following to the purchase and the full adoption of Kingsoft WPS Office by the State Grid Corporation China last year, the another purchase order of Kingsoft WPS Office from the power system demonstrates the leading position of this software in the power industry. This purchase will further facilitate organizations and corporations in the industry using copyrighted software.

###

About Kingsoft

Following the commercial launch of its first office applications software WPS 1.0 in 1989, Kingsoft Corporation Limited has now become a leading entertainment and applications software developer, distributor and service provider in China, based on market share. The Company leverages its comprehensive software development platform to offer a wide range of innovative entertainment and applications software.

Kingsoft has several well-known products such as WPS Office, Kingsoft PowerWord, Kingsoft Internet Security, and online games such as the JX Series and The First Myth. In addition, the Company sells various products such as Kingsoft Internet Security and Kingsoft PowerWord to retail consumers, corporate organizations and government agencies in China using online and offline distribution channels.

With its headquarters in Beijing, Kingsoft has multiple research and development centers based in Zhuhai, Beijing, Chengdu, Dalian and Shenzhen. The Company's vision is to create world-class software products that run on every computer and our strategy is to enhance our position as a leading entertainment and application software developer, operator and distributor in China based on market share and to expand its presence in certain overseas markets.
