### **Vigorous Subscription from Funds Positive Company Prospect**

(July 10, 2009 – Hong Kong) **Kingsoft Corporation Limited** (“Kingsoft” or the “Company”; SEHK stock code: 03888), China’s leading entertainment and applications software developer, distributor and service provider in terms of market share, announced today that one of its shareholders, Tetrad Ventures Pte Ltd, successfully sold 50% of its shareholding in Kingsoft (which were equivalent to 82.50 million shares) on July 10, 2009. The placing was very successful with overwhelming response from fund industry. Shares in question were bought by numerous fund houses.

Kingsoft believed the successful placing with enthusiastic market feedback fully demonstrated that the Company is well recognized among investors. The placing is positive to the continuous optimization of shareholder structure and enhancement of shares liquidity.

Looking forward, Kingsoft will continue to develop its applications software and entertainment software businesses in China and oversea to capture the enormous opportunities brought by the fast-growing Internet technology with increasing penetration. JX III, the Company’s first 3D online game will be commercially launched in the second half of this year. It is expected that the game will be well received by market and further drive the Company’s business growth.

### **About Kingsoft Corporation Limited**

Following the commercial launch of its first office applications software WPS 1.0 in 1989, Kingsoft Corporation Limited has now become a leading entertainment and applications software developer, distributor and service provider in China, based on market share. The Company leverages its comprehensive software development platform to offer a wide range of innovative entertainment and applications software.

Kingsoft has several well-known products such as WPS Office, Kingsoft PowerWord, Kingsoft Internet Security, and online games such as the JX Series and The First Myth. In addition, the Company sells various products such as Kingsoft Internet Security and Kingsoft PowerWord to retail consumers, corporate organizations and government agencies in China using online and offline distribution channels.

With its headquarters in Beijing, Kingsoft has multiple research and development centers based in Zhuhai, Beijing, Chengdu, Dalian and Shenzhen. The Company’s vision is to create

world-class software products that run on every computer. The Company's strategy is to enhance its position as a leading entertainment and application software developer, operator and distributor in China and to expand its presence in certain overseas markets.
