Kingsoft Obtains Procurement

A Yunnan State-owned Enterprise Purchases WPS Office

(Feb 12, 2009 – Hong Kong) Kingsoft Corporation Limited (“Kingsoft” or the “Company”; SEHK stock code: 3888), a leading entertainment and applications software developer, distributor and service provider in China by market share, today announced that Yunnan-Copper (Group) Limited Company (“Yunnan-Copper”) has made a purchase of Kingsoft’s application software WPS Office 2007 for more than RMB1.0 million. All units of Yunnan-Copper including its more than 30 subsidiaries will install the software. Looking forward, Kingsoft will continue to focus on developing the state-owned enterprise market for its office software. The Company plans to enhance the sales of WPS office software to China state-owned enterprises in 2009.

Kingsoft’s WPS Office has been installed and used by numerous stated-own enterprises such as State Grid Corporation, Anshan Iron & Steel Group Corporation, China Aerospace Science and Industry Corporation, China Railway Materials Group, Sinopharm Medicine Holding Co.,Ltd, and Yunnan Airport Group Co.,Ltd. Other renowned corporate users of the software include The People’s Bank of China, Agricultural Bank of China, China Minsheng Bank, Tencent, Inc., Anbang Insurance and Tianan Insurance.

Kingsoft said the purchase indicates office software vendors in China, with Kingsoft as a key representative, have a distinct advantage in government procurement. At the same time, it also reflects Kingsoft’s leading market position in southwestern China. This purchase will further facilitate the use of copyrighted software by corporations. Kingsoft will take this opportunity to further expand into the office software market and increase its market share.

Yunnan-Copper is a key state-owned enterprise in Yunnan Province. It ranks No.115 among China’s Top 500 Enterprises in 2007, and is one of top 50 industrial enterprises in China nonferrous metal industry. <http://www.yunnancopper.com>

About Kingsoft

Following the commercial launch of its first office applications software WPS 1.0 in 1989, Kingsoft Corporation Limited has now become a leading entertainment and applications software developer, distributor and service provider in China, based on market share. The Company leverages its comprehensive software development platform to offer a wide range of innovative entertainment and applications software.

Kingsoft has several well-known products such as WPS Office, Kingsoft PowerWord, Kingsoft Internet Security, and online games such as the JX Series and The First Myth. In addition, the Company sells various products such as Kingsoft Internet Security and Kingsoft PowerWord to retail consumers, corporate organizations and government agencies in China using online and offline distribution channels.

With its headquarters in Beijing, Kingsoft has multiple research and development centers based in Zhuhai, Beijing, Chengdu, Dalian and Shenzhen. The Company's vision is to create world-class software products that run on every computer and our strategy is to enhance our position as a leading entertainment and application software developer, operator and distributor in China and to expand its presence in certain oversea markets.
