China Securities Regulatory Commission

Purchases Kingsoft's WPS Office

(April 17, 2009 – Hong Kong) Kingsoft Corporation Limited ("Kingsoft" or the "Company"; SEHK stock code: 03888), a leading entertainment and applications software developer, distributor and service provider in China by market share, today announced that the China Securities Regulatory Commission ("CSRC") has adopted Kingsoft's application software WPS Office 2009. CSRC is also going to purchase Kingsoft's WPS Office nationally in near future.

Mr. KE Ge, Senior Vice President of Kingsoft, said, "This purchase involves all the computer facilities of CSRC, which carries a symbolic meaning for the promotion of using copyrighted software. This also helps drive securities firms and listed companies in China to use only copyrighted software. With the Government's support to promote the use of copyrighted software, as well as a growing awareness among the public about the importance of using copyrighted software, Kingsoft feels optimistic about the outlook of the Chinese-made office software market in China.

In recent years, Kingsoft's WPS Office has been successively adopted by various Chinese government agencies and private enterprises. During the first quarter of 2009, corporate users of Kingsoft's WPS Office include major corporations such as Yunnan-Copper (Group) Limited Company, Livzon Pharmaceutical Co. Ltd., Shenzhen Commercial Bank and Ningbo Radio and Television Group, within this period, total sales of the software to such kind of corporations reached to almost RMB 10.0 million.

Mr. Liu Qi, member of the Political Bureau of the Communist Party of China Central Committee and secretary of the Beijing Municipal Committee, and Mr. Yan Xiaohong, deputy director of the National Copyright Administration, visited Kingsoft on April 10 and April 13, 2009 respectively. Both of them have stressed the importance of intellectual property protection for softwares such as WPS products. Mr. Yan indicated that the National Copyright Administration is in talks with CSRC and several other related organizations about making it a prerequisite for firms applying for a listing.
