The board of directors of the Company (the “Board”) wishes to inform the shareholders of the Company and potential investors that the Group is likely to make provisions (the “Provisions”) for impairment on the carrying value of its aforementioned investments in Xunlei and 21Vianet, respectively, as there is a significant or prolonged decline in the market value of the investments in Xunlei and 21Vianet below the costs. The aggregate amount of the Provisions is expected to be approximately US$125 million as at 30 June 2016.

The Provisions are expected to lead to a loss for the six months ended 30 June 2016, while the Group recorded a consolidated profit for the six months ended 30 June 2015.

The Board wishes to emphasise that the Provisions in question are accounting related adjustments and non-cash items, and therefore, will not have any impact on the cash flow of the Group. All in all, the Group continues to maintain a healthy net cash balance.
At the same time, due to the Group’s continuing investment in implementing the mobilization, globalization, and “All-in Cloud” strategies, it is expected that the Group’s operating profits (before the Provisions) for the six months ended 30 June 2016 may be under pressure.
