**Kingsoft Wins 4 Awards In A Row  
Nominated as Top 10 Game Developer and Operator in China**

(January 20, 2010 – Hong Kong) **Kingsoft Corporation Limited** (“Kingsoft” or the “Company”; SEHK stock code: 03888), a leading entertainment and applications software developer, distributor and service provider in China (by market share), announced that the company is granted with four honorable awards, including the “Oversea Expansion Award for National Games”, the “Top 10 Game Operators”, the “Top 10 Game Developers” and “The Most Influential Person of Chinese Game Industry”, which is received by Mr. Pak Kwan KAU, Chairman and CEO of Kingsoft, at the China Game Industry Annual Conference 2009.

At present, the China Game Industry Annual Conference has the highest standard, highest number of participating parties, and the most comprehensive industrial network in the industry. It is also regarded as one of the most prestigious events in the local game industry. Being nominated with not only one, but four awards at China Game Industry Annual Conference, Kingsoft has demonstrated its ability to achieve robust performance as well as gained market recognition to its effort invested in innovations. In the midst of China’s fastest-growing entertainment industry, Kingsoft is able to seize emerging opportunities, attain growth and create values.

Kingsoft has been a leader in the game industry, no matter in the company’s R&D capability, innovative ideas and product quality. Kingsoft is expecting to launch several online games in 2010, including the “Legend of Moon”, “Fei Tian Feng Yun”, “Du Gu Jiu Jian” and “The First Myth 3”, with “Fei Tian Feng Yun” is now undergoing its closed alpha testing. In the future, Kingsoft will continue to excel in the industry, satisfy customers’ needs and contribute to the domestic game industry.

## **About Kingsoft**

Following the commercial launch of its first office applications software WPS 1.0 in 1989, Kingsoft Corporation Limited has now become a leading entertainment and applications software developer, distributor and service provider in China, based on market share. The Company leverages its comprehensive software development platform to offer a wide range of innovative entertainment and applications software.

Kingsoft has several well-known products such as WPS Office, Kingsoft PowerWord, Kingsoft Internet Security, and online games such as the JX Series and The First Myth. In addition, the Company sells various products such as Kingsoft Internet Security and Kingsoft PowerWord to retail consumers, corporate organizations and government agencies in China using online and offline distribution channels.

With its headquarters in Beijing, Kingsoft has multiple research and development centers based in Zhuhai, Beijing, Chengdu, Dalian and Shenzhen. The Company's vision is to create world-class software products that run on every computer. The Company's strategy is to enhance its position as a leading entertainment and application software developer, operator and distributor in China and to expand its presence in certain overseas markets.
